## Paperless Bill Credit

April 22nd is Earth Day! Haviland Telephone Company is now offering a \$1 credit on your monthly phone bill for choosing not to receive a paper bill. Paperless billing helps the environment by reducing waste. It also helps cut some of the cost of printing. We want to pass some of these savings on to you. **To get the credit, you need to sign up for E-bill and opt out of paper billing.**

E-bill sends a message to the email account of your choice around the first of the month, letting you know your bill is ready to be viewed. By signing in, you can manage and pay your bill online. Registering or being registered for E-bill will not automatically sign you up for the \$1 credit, you will have to opt out of receiving a bill through the mail.

To opt out of a paper bill, simply go to [www.havilantelco.com](http://www.havilantelco.com), click "My Bill" and sign in. If this is your first time using E-bill, you will need to register. If you need any help registering, please call one of our offices.

Once you sign in, if you have not already opt-ed out of receiving a paper bill, the following prompt will be displayed at the top of your screen. Simply check the circle and click "Apply".

→ ☒ I no longer wish to receive a bill through the mail. Sign me up for the monthly \$1 E-bill only discount.

→ **Apply**

While in your E-bill account, you can opt out of a paper bill at any time by selecting "Change Profile" (located along the top of the screen, see picture below) and making the change from there. You will need to be sure to click the "Apply" button for the change to be complete.
