## Preparing for Back-to-School

**Remember Routines:** Begin establishing your kids' school routine 1-2 weeks before school starts. This should include when they go to bed, wake-up and eat meals throughout the day.

**Get Ready:** Getting new school supplies (backpack, notebooks, crayons, etc.) can help get kids excited about going back to school. A few new items of clothing might help as well.

**Be Organized:** Help ease morning stress by setting out clothes and having backpacks ready the night before. This way you're not scrambling at the last minute for items, and there's less of a chance of forgetting something.

**Take It Easy:** Be prepared, but don't go overboard. You can't prepare for EVERYTHING! Unnecessary anxiety can be caused if minor details take up to much of a priority.

### Just a Reminder:

Bills are due on the 15th of each month. We pre-bill each month. This means the bill you receive around the first of August is for services for the month of August, with the exception of toll calls. Toll charges usually show up on your bill about 1 month behind.

## Just For Fun!

Summer vacation was over and Little Johnny returned back to school. Only two days later his teacher phoned his mother to tell her that he was misbehaving.

"Wait a minute," she said. "I had Johnny with me for three months and I never ONCE called you when he misbehaved!"

Little Johnny wasn't getting good marks in school. One day he surprised the teacher with an announcement. He tapped her on the shoulder and said, "I don't want to scare you, but my daddy says if I don't start getting better grades, somebody is going to get a spanking!"

Johnny came home from his first day at school. His mother asked what he'd learned that day.

Johnny replied, "Not enough. I have to go back tomorrow."

A little girl came home from school and said to her mother, "Mommy, today in school I was punished for something I didn't do."

The mother exclaimed, "But that's terrible! I'm going to have a talk with your teacher about this, what didn't you do?"

The little girl replied, "My homework."
