Call one of our office to see which speed best fits your needs.

Diane Thompson, head of Marketing and Public Relations, accepts the 2011 Business Excellence Merit Award.

Business Appreciation Month: HTC Recognized

Haviland Telephone Company has been recognized as a 2011 Business Excellence Merit Award winner for the Southwest Region by the Kansas Department of Commerce as part of Business Appreciation Month, the Department's annual celebration of Kansas businesses and their contributions to their communities and the state economy.

HTC was nominated in the by the Kiowa County Chamber of Commerce for its investment in local communities. Beginning in 2004, Haviland Telephone invested approximately 12 million dollars into its buried facilities. In several key distribution routes, copper cable was replaced with fiber optic cable, improving the quality of voice service and providing the infrastructure to provide customers virtually unlimited bandwidth for faster Internet connections. In 2009, HTC established wireless Internet service – GMAXX – within the community of Greensburg when its communication infrastructure was severely compromised after the 2007 tornado. This nomination also recognized the significant contribution HTC makes in support of its local schools and community events.

Visit Our News Page At www.havilandtelco.com/news

Recently, our web site underwent a makeover. Our web site now offers many features that were not previously available. Our newest feature is a community calendar. This calendar is updated regularly with events from and around our communities. If you have an event you would like added, please email us at marketing@havilandtelco.com or contact Diane at the Haviland Office.

Lifeline Applications Available at School Enrollment

School enrollment is upon us. Haviland Telephone Company will be making Lifeline Applications available at many area schools during enrollment. If you plan to apply for free/reduced lunches for your children, pick up the Lifeline application as well. Households that qualify for free/reduced lunches often meet the guidelines for a monthly Lifeline discount of \$17.77 per month towards your local phone bill.

Schools are required to randomly select free/reduced lunch applications for income verification. The documentation you need for that process (copy of recent paystubs, for example) is the same documentation you need to apply for Lifeline. Gather the same paperwork once for two different programs! The Lifeline application is also available online at www.havilandtelco.com/lifeline.

JUST FOR FUN

See if you can solve these puzzles. Each one represents a word or phrase. For example, the answer to the puzzle above is: 4 IN STANCE. For Instance. Good Luck!
