The Gift of Giving

Have you ever asked for gift lists and gotten the response "I don't need anything this year", or been asked for gift ideas and given this response yourself? All it takes is one hard-to-buy-for person on your list to make Holiday shopping a dreaded event. Well dread no more! Here is a list of gift ideas that's sure please everyone on your list, (even the ones who 'have everything'). These ideas also work for the people who don't really want/need anything, but have people in the family that insist on getting you something anyway!

person on your list to make Holiday shopping a dreaded event. Well dread no more! Here is a list of gift ideas that's sure please everyone on your list, (even the ones who 'have everything'). These ideas also work for the people who don't really want/need anything, but have people in the family that insist on getting you something anyway!

A Star~ Name a star after someone special. There are many places online that offer star registry.

A Piece of Land in each of the 50 States~ At www.ownapieceofamerica.us you can purchase a square inch of land from each of the 50 states, or buy 1 square inch of land from individual states.

Bed & Breakfast Gift Certificate~ What better way to say Happy Holiday's than giving the gift of an overnight getaway?

Food of the Month Club Membership~ Or wine of the month, cheese of the month, cake of the month. There's a club of the month for just about anything.

Carnivorous Plant Kit~ Who could resist a bug eating plant?

Date Night~ For a couple, you can purchase a gift certificate to a restaurant and movie tickets. If they have young children, you could also make up a 'babysitting voucher' to watch the kids while they have their special evening.

Stock~ Buy some company stock for that hard to buy for person.

Donations~ Make a donation in someone's name this holiday season. It can be to the Salvation Army, your local Humane Society, Toys for Tots or something that is close to your loved one's heart.

Angel Tree~ Most towns have an Angel Tree. Sponsor an "Angel" as a gift for someone you love.

Plant a Tree~ You can plant one somewhere special yourself or go to www.treegiver.com to have one planted for you. You will get a Certificate of Planting to give as a gift, so your loved one will have a keepsake.

Gift Cards~ Some people don't like giving gift cards, but they really are great gifts. The receiving party can pick out exactly what they want so you know they end up with something they like!

So don't get discouraged if you have hard-to-buy-for people on your list this year. There are plenty of ideas out there to satisfy everyone. Who knows, maybe you'll start a tradition and next year, everyone on your list will want a carnivorous plant kit or a tree planted for them!
