You Can Control Telephone Calls From Solicitors

The National Do Not Call Registry, managed by the Federal Trade Commission (FTC) the nations consumer protection agency, gives you an opportunity to limit the telemarketing calls you receive. After you place your telephone number on the Registry, most telemarketers will be required to remove your number from their call lists and may not call you. However, you may still receive calls from political organizations, charities, telephone surveyors, or companies with which you have an existing business relationship.

You can register by calling toll-free, 1-888-382-1222 (TTY 1-866-290-4236), from the number you wish to register. You may also go to www.donotcall.gov if you have a working e-mail address. Registration is free.

You can read more about the national Do Not Call Registry at the FTC (www.ftc.gov) or the Federal Communications Commission, Consumer Bureau (www.fcc.gov/cib).

Call Feature of the Month

Anonymous Call Rejection - \$1.00

***77** This feature enables you to reject anonymous calls made to your number. If a person is calling you with an anonymous phone number, this feature will automatically refuse their call. One drawback to this feature is if someone is calling from a pay phone or cellular phone, the call may not reach you. Some anonymous calls from cellular phones or pay phones will come through. Call our offices at 800.339.8052 or 800.287.7905.

Moving? Please plan ahead!

If a move is in your future, please plan ahead with your telephone and Internet services. Many times subscribers will call our office when they are ready for their service to begin in their new home. This makes a difficult situation for our office personnel, outside plant workers, and you who are moving. Please be sure to give us at least one week's notice so your move can be scheduled. It's difficult to coordinate a move in just a few hours.

We don't want your service interrupted, and we want to provide you with best service possible at all times.
