

On Line With...

Volume 11 | January | 2012

Are You Ready For Winter Storms?

Be prepared for power outages that can occur during winter storms. Cordless phones have become the favorite for home use as we all enjoy the freedom these types of phones provide. However, it is important to consider that

cordless phones require electricity to operate. Haviland Telephone recommends that all of our customers have at least one inexpensive phone with a cord that plugs into a wall jack. Haviland's network is self-powered, so service stays on even during a power failure. Cordless phones won't work when the lights are out and a cell phone may require charging. During the winter months, Haviland Telephone will be giving away Blackout survival kits and corded phones to help you stay connected.

Return this entry form with your payment, or email marketing@havilandtelco.com to enter. If emailing, subject line needs to be: Blackout giveaway. Please include your name, address, town and home phone number in the email. We will give away one kit and several corded phones in January, February and March. Enter by January 16 for the January drawing. You may enter the contest once per month, however, you will need to send in separate entry forms or emails for each month.

Different Ways To Pay Your Bill

Haviland Telephone Company has several ways for you to pay your bill, including bank draft and credit card payments.

You can pay your bill with your Visa, MasterCard or Discover card. We also have a recurring credit card option so your payment is never late. Recurring credit card payments are processed on the 15th* of each month.

Sign up for bank draft. Bank draft payments are taken out on the 10th* of each month. All that is needed to get started is a voided check.

Online bill payment through your bank is another convenient way to pay your bills. We would ask that, if paying your bill this way, please reference your telephone number as your account number. When you pay a bill through your bank with online bill payment, your bank sends us a check through the mail. By using your phone number as the account number, we will know what account to apply it to. Please keep in mind that it can take up to two weeks for your payment to post to your HTC account when paying through your bank.

Haviland Telephone Company's eBill service offers an online way to manage your bill. You can set your account up for bank draft, recurring credit card payments or authorize one-time credit card payments each month.

You can always pay your bill in person or thru the mail. If mailing please allow time for your payment to reach us by the 15th.

*If this date falls on a weekend or Holiday, payments will be processed on the next business day.

Christmas Open House

The Haviland and Conway Springs offices each held a Christmas open house on Wednesday, December 9th. Coffee and punch were served along with a variety of yummy cookies. We would like to thank everyone who stopped by. We would also like to thank Mary Lothman for making the delicious treats for the Haviland office. THANK YOU! Both offices held drawings. Congratulations to the winners:

Conway Springs:
Lynn Koch - Survival pack
LaVerne Mies - Phone
Nancy Hein - Phone
Haviland:
Anita Ellis - Survival pack
Kathy Koehn - Poinsettia
Lori Binford - Poinsettia

Attention High School Seniors

The Haviland Telephone Company 2012 Scholarship application season has begun. This year, Haviland will be providing six \$250 scholarships to students whose parents or guardians are customers of Haviland Telephone Company or its GMAXX service. In addition to the HTC scholarship, students are eligible to apply for two other external scholarships – the PRIMO (\$500) scholarship and the Foundation for Rural Education and Development (FRED) (\$1000-\$5000) scholarship. Applications, deadlines and submission instructions are available at www.havilandtelco.com/scholarships or at the following guidance counselor offices: Kiowa County High School, Conway Springs High School, Argonia High School, Norwich High School, Skyline High School, and South Central High School.

Connecting The World

"On Line With..." is owned by Haviland Telephone Company and published for the benefit of the customers of HTC.
