Wi-Fi Enabled Digital Picture Frames

Digital frames have been around for several years. But the hassle of downloading photos to an SD card and having to repeat the process anytime you want to add new

photos can get pretty old. Newer digital frames now come with Wi-Fi capabilities to send pictures directly to the frame via email, Flickr, Picasa, Facebook and more.

We first became interested in these frames when our accounting manager bought one for her parents. All the kids and grand-kids can email pictures directly to the frame for an ever changing array of photos. And the best part is, her parents don't have to do anything to add the new photos.

If you're looking for a unique gift for Mother's Day a Wi-Fi enabled photo frame is sure to be a hit. With Haviland Telephone's DSL service and standard wireless modems, no extra equipment is necessary. Keep reading to learn more about some of the Wi-Fi ready frames available.

Email Clean Up

To help keep our server clean, we ask our customers with Havilandtelco email accounts to periodically clean out their inboxes in the web mail. To do this, you will need to go to www.havilandtelco.com and sign into your web mail account with your username and password. Once you are in the inbox, we would ask that you delete the messages there. You will then need to click on 'Inbox Trash' on the left side of the screen and repeat the process of deleting the messages there as well.

We also ask that our customers set up their Outlook Express or Office Outlook accounts so that it will automatically remove emails off the server once you have downloaded them to your computer. Instructions on how to set that up are as follows:

OUTLOOK EXPRESS: In Outlook go to 'TOOLS' then click 'ACCOUNTS'; click on the 'MAIL' tab, find your account and double click on it to open up the properties. Click on the 'ADVANCED' tab and take the checkmark OUT of 'leave copy of message on the server'.

OFFICE OUTLOOK: In Office Outlook go to 'TOOLS' then to 'EMAIL ACCOUNTS' then to 'VIEW OR CHANGE EXISTING EMAIL ACCOUNTS', then click next. Find your email account in the list and click 'CHANGE'. You will then want to click on 'MORE SETTINGS'. When 'MORE SETTINGS' opens up to the 'ADVANCED' tab and take the check mark OUT of 'leave copy of message on the server'.

Directory Cover Photo Contest

Haviland Telephone is looking for a feature photo for our 2012-2013 Telephone Directory. We need your help! We are looking for photos that represent the communities we serve. You don't have to be a professional photographer to get your picture on our cover! Send up to 3 of your best photos to marketing@havilandtelco.com by June 15. Winning entry will receive a one-time credit of \$50 on their monthly phone bill.

Last year's cover photo winner was sent to us by Haviland's Jeana Clark.

Haviland Telephone Office Schedule

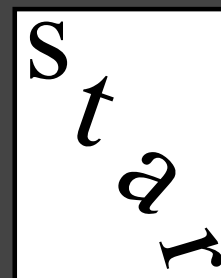

May Bill Payments Due: May 15

Disconnect Date: May 23

Office Closed: May 28, Memorial Day

Congratulations to our March drawing winners!

Blackout Kit: Steven Doll, Milton
Phone: Dick Frank, Belle Plain
Phone: Gina Koester, Conway Springs
